Dear

As we near the end of our eighteenth year of spiritually enriching programs at Wisdom Ways, we give thanks to you and others who have participated in our events and supported us financially.

We rely on donors such as you to enable Wisdom Ways to fulfill the mission of offering innovative programs to explore the spiritual dimensions of contemporary life for women, men, and children.

Many say that being part of Wisdom Ways makes them feel more deeply grounded in a sacred walk as they widen circles and relationships through theological conversation, critical thought and reflection on life and spirituality. We continue to hear that our Wisdom Ways program booklet (produced twice a year) is sought out as a resource for personal spiritual reflection.

Your gift will strengthen Wisdom Ways. Continued development and expansion of programs is essential to reach beyond the current 3,000-plus people who participate in our programs each year. Your gift will make an important difference in the lives of women, men, and children who come to Wisdom Ways to nurture and deepen their spirituality. Each person we touch, in turn, shares what s/he has learned or experienced with families, friends, neighbors, and co-workers.

We count on you to accompany us as we invite people to explore, reimagine and embody faith, spirituality and engagement in life.

Making a donation is easy. You may complete the enclosed form and mail a check to the above address, or simply go to our secure website www.wisdomwayscenter.org/donate and click the "donate" button. Thank you for your generous and kind support.

May you be filled with wisdom, grace, and peace.

Barbara Lund, Director
Wisdom Ways Center for Spirituality

P.S. Watch for the Winter/Spring 2012 program booklet to arrive in early February.
