

## **History of the Center for Spiritual Guidance**

The Center for Spiritual Guidance, *Inner Transformation for Global Change* training program traces its roots to 1990, when it was founded by Priscilla Braun, M.Div., Roseann Giguere, CSJ, M.Div., and Elizabeth Toohey, OP, M.Th.

Through the years program facilitators have included Maureen Rocheford, Dennis Galvin, Nancy Cosgriff, Delmarie Gibney, Scott McRae, and Corrina Thomas.

In the early years, the program was held at Carondelet Center of the Sisters of St. Joseph, St. Paul Province. The program moved to WomanWell in St. Paul where it continued the process of formation for spiritual guidance and leadership.

*The Inner Transformation for Global Change* program graduated its last class in the spring of 2014 at WomanWell and will resume as *Transforming Soul and Society: A Spiritual Guidance Program* hosted by Wisdom Ways Center for Spirituality.
